Summary

Motivated Information Technology student with strong full-stack development skills, including React, Node.js, and MongoDB. Experienced in building responsive web applications through academic and personal projects. Passionate about solving real-world problems and continuously improving technical and problem-solving abilities. Seeking a software development internship to apply skills and gain practical experience.

Skills

- HTML5
- CSS3
- Tailwind CSS
- JavaScript
- React
- Node.js
- MongoDB
- MySQL
- Git

Education

Bachelor's Degree, University of Bahir Dar

05/2024 – 06/2027 | Bahir Dar , Ethiopia

Bachelor's Degree in Information Technology at University of Bahir Dar (2024–2027). Gaining strong foundation in software development, databases, and web technologies. Actively building hands-on experience through academic and personal projects using modern tools such as React, Node.js, and MongoDB. Interested in applying technical skills to real-world problems through internship opportunities.

Courses

Data Structures & Algorithms, Database Systems, Web Development, Computer Networks, Bahir Dar Institute of Technology

Full-Stack Web Development Trainee, Etio Coders

Participated in an intensive coding program covering both frontend and backend development. Built dynamic web applications using technologies such as React, Node.js, and MongoDB. Applied best practices in UI/UX design, API integration, and version control. Developed real-world projects and strengthened debugging and problem-solving abilities.

Projects

Modern Grocery Shopping Platform

04/2006 – 05/2026

Developed a full-stack grocery shopping platform using the MERN stack (MongoDB, Express, React, Node.js). Implemented features such as product search, filtering, shopping cart, and secure checkout. Focused on responsive UI design and efficient backend integration.

Portfolio Website

Designed and developed a personal portfolio website to showcase projects and skills. Built using React and Tailwind CSS with responsive design and smooth user experience.
